FOR

Product : Rotogravure Printing Press Machine

Model No. : SOLOMARK 4400
SOLOMARK 3250

Test Standards : EN60204-1:2006/A1:2009, EN ISO 12100:2010,
EN ISO 13849-1:2008, EN 61000-6-2-2005,
EN 61000-6-4-2007, EN 1010-1:2004+A1:2010

Test Report No. : BLR/ENE/SAF/16/823352

This is to confirm that a sample of machine was tested to the safety test requirements of Machinery Directive (2006/42/EC), low voltage directive (2006/95/EC) and EMC directive (2004/108/EC) by us at the manufacturing location.

After implementation of the requirements as per test report no. BLR/ENE/SAF/16/823352 issued to the manufacturer, preparation of the necessary technical documentation and signing of the declaration of conformity, CE marking can be affixed on the product. Other relevant directives have to be observed.

The document holder is responsible for the consistent manufacturing of the product in compliance with the test sample submitted to us.

Note: Products entering the European Union are subject to the requirements set forth in the European Directives. It is the responsibility of the person placing the product on the European market to ensure compliance with applicable Directives. The requirements of directives and standards change from time to time and it is the responsibility of the manufacturer to ensure compliance. Our services are intended to provide you with the data needed to determine compliance, but the person placing the product on the European market still has the responsibility to ensure each product complies with the applicable Directives. The product liability rests with the manufacturer or his representative in accordance with Council Directive 85/374/EEC.

This document applies only to the particular sample provided for testing and CE certification and does not permit the use of a TÜV PRODUCT SERVICE certification mark. It becomes ineffective in the event of changes relating to products, applicable standards and the Directives.

Subject: CE Marking assistance service for following Machine.

Sr. No.	Machine	Model No
1	Rotogravure Printing Press Machine	SOLOMARK 4400 SOLOMARK 3250
2	Slitter Rewinder Machine	SOLOSLIT 3500
3	Solventless laminator Machine	SOLOLAM 3400 SOLOLAM 2350

Dear Mr. Prashant Kotecha,

Please find enclosed the following:

1. Compliance Document for the subject models. This is subject to your product meeting our assessment reports and comments provided during the project execution.
2. Format of EC declaration of Conformity which you have to fill in your letter head and sign. This is part of the technical construction file.
3. The technical construction file content format as attached and should include user manual and safety instructions/signs/labels in the language of the country.
4. Test reports for the subject models based on our assessment, which will have to be included in the technical construction file. Please note the points in the test reports which you need to take note and implement.

We close this project with the final invoice sent to you. Look forwarding to continued relationship with your organisation.

Thanking you and sincerely,

Suresh Somou
